### INTERSESSION AND SUMMER SESSION DIRECTOR APPOINTED

Sister Lucille McKillop, President, announced today that she has appointed Sister Mary M. McAuliffe to be the 1978 Intersession and Summer Session Director. Sister is Newport College's Director of Research and Planning. Sister Mary came to Newport College in June 1976 after serving nine years on the Administrative Council of the Sisters of Mercy, Province of Providence, the last three years of which she was Provincial Administrator.

Sister Mary in speaking about her plans for Salve's 1978 Intersession and Summer Session said: "I look forward to working with faculty and staff in a successful coordination of Summer School activities." Sister Mary went on to say that the Ad Hoc Summer School Committee had made several recommendations. "One of the committee's recommendations was that the Summer School offer workshops that will attract a new market of residential students. It is my understanding that several such programs have already begun to be planned by different departments. It is my hope that two or three different models of residential workshops can be developed this summer with the potential of continued growth in the summers to come. In this way Salve Regina will be capitalizing on the natural attraction of Newport in the Summer and the beauty and convenience of our own campus. The educational experience at Salve Regina can be a combination of the best of both worlds of learning and leisure time activities for the men, women and families who come to the city by the sea to participate in the educational programs of the Newport College, Salve Regina."

### SPORTS SCENE

The men's basketball team is going away to play Massachusetts College of Pharmacy Friday night December 9. There are 12 seats available on the team bus for spectators. If you would like to go to the game with the team call the Sports Office, Ext. 329 to reserve a seat. You cannot go on the bus unless you call in advance to reserve a seat. First come, first serve basis.

### Men's Basketball Tournament at Barrington

Friday, December 16 and Saturday, December 17, Salve's men's basketball team will compete against Barrington College, Roger Williams College and Philadelphia College of Pharmacy in a Christmas Basketball Tournament at Barrington at 7:00 p.m. The team needs your support. The competition will be tough, and your assistance in cheering Salve on at the tournament is paramount. You could make the difference. The players welcome your support. Show them we care!

Twelve seats will be available on the team bus for both nights. If you are interested in traveling with the team, call the Sports Office, Ext. 329 to reserve a seat. You can only go if you have a reserved seat.

For a \$1.50 per person charge, the College will rent another bus for Salve students and friends if there are more than 30 people interested. It would be quite a boost to the team if a full bus of spectators went to the tournament.-- Paul L. Cardoza, Director of Athletics

#### SAFETY NOTE

Vandalism: What is vandalism? It is the deliberate and pointless DAMAGE of PROPERTY -- (Personal or private) sometimes called, "Ripping up" "Trashing" "Yard Framing," etc.

Whatever it is called, vandalism is not a "Harmless Prank"; it is a crime that wastes time and money, a national loss of \$1 billion per year and causes suffering and even death. In colleges throughout America, vandalism is rapidly increasing. Thousands of incidents are reported every year. At least twice as many are unreported. Whenever vandalism occurs, you pay directly -- when your own property is damaged. You pay indirectly via higher taxes to repair and replace public property, and via higher insurance cost.

Help keep your College Community safe from vandalism, because vandalism hurts everyone.
